

February 2010

Dear Parents and Students:

Thank you for your interest in Bradford Christian Academy. BCA is an independent college preparatory high school that can shape your student's character as it prepares him or her for the opportunities and challenges of today's world. BCA partners with families like yours to develop young men and women with keen intellects, deep faith, and compassionate hearts.

BCA is a vibrant and growing community. Our high school program is located on the beautiful Zion Bible College campus and our middle school program is in our Oxford Avenue location. We offer our physical education and athletic programs at Cedardale Health and Fitness for both middle and high school students.

Bradford Christian Academy's education model is simple: we offer our students a faith-based, college preparatory educational program within a stimulating and nurturing environment. Our dedicated teachers, small class sizes, and rigorous curriculum lead our students to perform consistently at an average of 3 grade levels above current grade on national standardized tests.

In addition to developing students' minds, BCA nurtures souls and shapes character.

- BCA's summer wilderness program offers high school students opportunities to test their personal best and deepen their faith and friendships.
- Our communication arts program teaches students to be prudent consumers of media to communicate their own values and beliefs positively and effectively.
- Community service projects and short-term mission trips to third-world countries cultivate in students a worldview while teaching them to contribute to building a better world.
- Weekly chapel services and community groups bring the school community together for worship and instruction.
- Our athletics, clubs, and activities provide extracurricular opportunities for students to develop interests and abilities in a variety of areas, including sports, theater, music, student government, and yearbook.

I invite you to visit BCA at any time to meet our teachers and experience the BCA community. Please visit BCA's website, [www.bradfordchristianacademy.org](http://www.bradfordchristianacademy.org) for in-depth and important information about the school, its academics, community, life, faculty, and programs.

If you would like to attend our "Beyond the Books" tour or to arrange a private tour of our school, please call the admissions office at (978)373-7900. We look forward to serving you.

May God bless you and your family.

Victoria Kennedy  
Head of School
