

## **BCA After School Program Registration – High School**

### **Cedardale Program for High School Students**

Bradford Christian Academy offers an after school program at Cedardale Health and Fitness for students in grades 9 through 12. The program operates between the hours of 2:45 and 4:30 p.m. During this time students may use Cedardale facilities or work on homework. This program is not supervised by BCA personnel so students using this program must be mature enough to conduct themselves responsibly while at Cedardale, following Cedardale policies. The cost of this program is \$500 per student per year, payable to Bradford Christian Academy.

To sign up for this program, please complete the registration form and accept the terms and conditions by signing your name. The form, along with your check for \$500, should be submitted to the main office. Once we receive a completed form and payment, your student may begin attending Cedardale. Your student will sign in at Cedardale each time s/he uses the program.
