

## **BCA After School Program Registration – Middle School**

### **Middle School Homework Club**

Bradford Christian Academy offers an after school program called Homework Club for students in grades 5 through 8. The program operates between the hours of 2:45 and 4:30 p.m. During this time students receive extra help on school work from teachers who are in the building until 3:30. The Homework Club supervising teacher encourages all students to complete their homework before going home. Students who complete their homework before parents arrive for pick-up may read, use the school's computers (parental controls are in place to safeguard website access), or socialize with other students. The cost of this program is \$15 per student per any portion of a day or \$500 for the year, not to exceed \$500. Parents will be invoiced monthly for use unless other arrangements are made.

Parents must pick their student up by 4:30 p.m. An additional \$15 per student per each additional half hour or portion thereof beyond 4:30 will be charged. To sign up for this program, please complete the registration form and accept the terms and conditions by signing your name. The form should be submitted to the main office. Once we receive a completed form, your student may begin attending Homework Club. Your student must sign in and out of the homework club each time s/he uses the program.
